Manning | Amazon Web Services in Action, Second Edition

Amazon Web Services in Action is a very high level primer book. If you know next to nothing about AWS this book is perfect. If you've been studying AWS or using AWS for a few months this book is going to feel like a review. The book will give you a well thought out but shallow view of AWS's major service offerings.

Amazon.com: Customer reviews: Amazon Web Services in Action

If you prefer to learn by doing, hands-on, then Amazon Web Services in Action is what you need. The authors assume that you're not a complete neophyte. If you've never used a Linux command-line, or you don't know what "ssh" or "key-pair" mean, you should probably spend some time learning the basics.
