A stunning work of non-fiction, *Among the Thugs* chronicles Buford's attempts to understand the English phenomenon of soccer hooliganism by immersing himself into its characters, events, and lifestyles. He starts as an outsider, an American living in London for many years without ever attending a soccer game.

As others have stated what makes this book stand out is that it is written from a neutral perspective. It's hard to think of someone so removed from the British working-class as Bill Buford, a scholar and an academic from Louisiana. And it is this 'fish out of water' factor which makes Among the Thugs such an
