While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

Angry Birds Quadratic Project Answers

In this project students will graph quadratic functions based on the popular game, Angry Birds, by using equations and a Web-based graphing tool. Students will work in groups to apply the same principles to create their own game that uses quadratic functions. Students will exchange games with other groups, play the game and assess that game using a set student rating scale.
