International Business - Open Textbook Library

In fact, no two plans look exactly alike. For a sole proprietor, a business plan may run a couple of pages. A business plan for a large company plotting a turnaround can take up a hundred or more pages, with plenty of appendices. But to be useful and effective, all business plans should provide answers to these ten questions.

10 Questions Your Business Plan Should Answer - dummies

A sole trader is a business owned and run by a single person. Such firms are very common, partly because there are few legal procedures involved in setting up the business. The owner bears all the risks of running the business but has full control and gets to reap all profits that the business
