Fantasy is my jam so of course now that I have a child, I want her to have all the fantasy things. Thankfully, there are plenty of fantasy books for kids out there. But that can also be overwhelming. My time as the young adult and middle grade shelver at work and as a middle school reading tutor showed me how hard it is for parents to find age-appropriate material for their kids.

Wishtree by Katherine Applegate Looking for a great read-aloud chapter book? Wishtree - by the same award-winning author who brought us The One and Only Ivan - is a thought-provoking story told from the perspective of an ancient oak tree. The tree is horrified when a bully abuses the long-time tradition of attaching wishes to the tree, instead spreading hateful messages to Samar, a recent ...
