In many ways Dungeon! is similar to Dungeons & Dragons, although much simplified and transformed into a board game. Players explore a dungeon that is divided into levels of increasing difficulty, fighting monsters for valuable treasure. As players venture deeper into the dungeon, the monsters become more difficult and the treasure more valuable.

The first Dungeons & Dragons licensed games were made by Mattel for the Intellivision. The contract actually required some variations to the normal Intellivision title screens with the name being capitalized and the addition of the word 'cartridge'. The games, however, had nothing to do with the rules or any of the settings.
