In The Kingdom Of Sick

"In the Kingdom of the Sick" is a well-researched, interesting look at chronic illness. The author, Laurie Edwards, is sick herself, though high-functioning much of the time. She empathizes with the plight of the chronically ill (it is her plight, too), as they struggle with the horrors of the western medicine machine, and at the same time tries to seek out what is working in our western allopathic medical traditions.

In the Kingdom of the Sick: A Social History of Chronic ...

Thirty years ago, Susan Sontag famously wrote, "Everyone who is born holds dual citizenship, in the kingdom of the well and the kingdom of the sick . . . Sooner or later each of us is obliged, at least for a spell, to identify ourselves as citizens of that other place."

In the Kingdom of the Sick: A Social History of Chronic ...

Through research and patient narratives, health writer Laurie Edwards explores patient rights, the role of social media in medical advocacy, the origins of our attitudes about chronic illness, and much more. What The Noonday Demon did for people suffering from depression, In the Kingdom of the Sick does for those who are chronically ill.

In the Kingdom of the Sick on Apple Books

In her seminal essay *Illness as Metaphor*, Susan Sontag describes this transition. "Everyone who is born holds dual citizenship, in the kingdom of the well and in the kingdom of the sick... sooner or later each of us is obliged... to identify ourselves as citizens of that other place."

The Kingdom of the Sick - Multiple Sclerosis Research Blog

"This is a fascinating overview of the myths, stigmas, events, and cultural attitudes that have shaped people's perception of illness and disease throughout history. By sharing the personal accounts of individuals who have suffered from ignorance, misdiagnosis and skepticism, In the Kingdom of the Sick shines a bold light on chronic illness."
