It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

The Inside Story—Understanding the Power of Feelings ©
Copyright 2002 HeartMath LLC They are very fast, even faster than thought. They're invisible—we can't see them and often don't even know they exist. At other times, they're as loud as a thunder-storm booming inside us, visible on our faces and in the way we move. Without them, we can't enjoy food,

The Power of Stories | Psychology Today

Power Failure examines in great detail the story of Enron: the players, the dynamics, the interesting accounting structures - that lead to Enron's ultimate implosion. Although it's a compelling story, I think the level of detail of the various deals and the effect on Enron's financial statements might confuse the average reader.
