Medicare & You | Medicare

Medicare is our country's health insurance program for people age 65 or older. Certain people younger than age 65 can qualify for Medicare, too, including those with disabilities and those who have permanent kidney failure. The program helps with the cost of health care, but it does not cover all medical expenses or the cost of most long-term care.

Medicare Benefits | SSA

- Medicare Part A (hospital insurance) helps pay for inpatient care in a hospital or limited time at a skilled nursing facility (following a hospital stay). Part A also pays for some home health care and hospice care.
- Medicare Part B (medical insurance) helps pay for services from doctors and other health care providers,
