1. *Opening Minds: Using language to change lives.* Peter Johnston, The University at Albany-SUNY Pjohnston@Albany.edu. The following is a guide to the key points in my talk. These points and all transcripts and some cartoons are in my book *Opening Minds: Using language to change lives*. Much of my talk expanded on Vygotsky's (1978) observation that “Children grow into the intellectual life around them” and his observation that cognitive growth is “more likely when one is required to ...
