There are very few writers of whom one can say they invented an entire field of study: Peter F. Drucker is one. "Management" as a concept literally did not exist until Drucker's groundbreaking work. From Jim Collins to Jack Welch, every great theorist and practitioner of management has walked in Drucker's footsteps.

Management Rev Ed: Drucker, Peter F.: 9780061252662 ...

Peter Drucker first used the term "management by objectives" in his 1954 book *The Practice of Management*. While the basic ideas of MBO were not original to Drucker, they pulled from other management practices to create a complete "system". The idea draws on the many ideas presented in Mary Parker Follett's 1926 essay, "The Giving of Orders".

Management by objectives - Wikipedia
