Mercruiser Commander 3000 Controls Manual

11-2 - COMMANDER 3000 CLASSIC PANEL MOUNT REMOTE CONTROL 90-814705R2. Disassembly. 1. Remove control handle by first removing throttle- only button. Place the control handle in the throttle-only position. Push "In" on button and place control handle forward. Throttle-only button can now be removed. If button cannot be re- moved with fingers, use a small screwdriver and pry out gently.

Disassembly - Discount Marine

May 29, · Re: Quicksilver disassembly/ trim switch hi this is how you take off the handle to get to the switch and wires. to remove the handle shift the control backwards to about 1/4 to 1/2 position this will enable you to popout the push button for neutral. behind that button is a bolt remove it and the handle will come off.

Quicksilver Throttle Control Parts Diagram

This control fits in the same hole that is there now. All Mercruiser 3000 fit the same hole. This is a 3000 it is the exact same fit. The only thing that is different is the handle and the facia. Then trim and trailer switch is in the handle. Actually if you like you can use your handle and facia with the module of the new control.
