Regulating Corporate Criminal Liability - Google Books

Liability is imposed so as to regulate the acts of a corporation. The principle of corporate criminal liability is based on the doctrine of respondent superior which is commonly known as the theory of vicarious liability, where the master is made liable for the acts of his servant.

Corporate Criminal Liability Law and Legal Definition ...

Recent years have seen a dramatic increase in the use of Criminal law as a means of regulatory control of business activities. Coupled with that we have seen a significant increase in the prosecution of individuals involved with companies - to the extent that the 'protection' once afforded by the corporate veil is in practical terms virtually non-existent for the majority of corporate entities.

Corporate Criminal Liability | Article | Chambers and Partners

Corporate criminal liability can be defined as a crime which has been committed by individual or association of individuals who for pursuing a common purpose or make business gain in course of their occupation commit such acts or omission which is forbidden by law and with guilty mind where it is for the benefit of the corporation or any individual out of the association of individuals.
