The Centauri Device M John

The Centauri Device is the third novel by English author M. John Harrison. The novel, originally conceived as an "anti-space opera" would ultimately go on to make a major contribution to revitalising the subgenre and influencing the works of later authors such as Iain M. Banks and Alastair Reynolds .

The Centauri Device - Wikipedia

The Centauri Device is a classic McGuffin used to drive the seemingly arbitrary plot involving the everyman protagonist John Truck and a lot of paper thin characters. There are influences from decadent literature and William Burroughs and affinities with his friend Michael Moorcock.

The Centauri Device by M. John Harrison - Goodreads

The Centauri Device - M. John Harrison [0573 - 10-22-2014 - Novel - SF] The novel "The Centauri Device" by M. John Harrison (b1945) was first published in 1974. To be perfectly candid the plot is quite thin and is, I believe, a deliberate and contemptuous slap down of the tedious conventions of far to many dreary space operas.

The Centauri Device by M. John Harrison

The Centauri Device. , M. John Harrison (1974) (Paul Lehr's cover for the 1980 edition) 4/5 (Good) I can only imagine the shock that readers received and still receive (according to amazon reviews) after diving into M. John Harrison's The Centauri Device (1974) expecting a standard space opera. This is a subgenre where the anti-hero still has not found a firm place to roost....

Book Review: The Centauri Device, M. John Harrison (1974 ...

M. John Harrison's 1975 The Centauri Device is a rare beast in science fiction. Short (200 pages), prosaic (the language is at most times brilliant), and with literary aims, it is sure to draw the disapproval of genre fans expecting the easy-to-digest hero's story typical of space opera.

Review of "The Centauri Device" by M. John Harrison

John Truck was to outward appearances just another lowlife spaceship captain. But he was also the last of the Centaurans - or at least, half of him was - which meant that he was the only person who could operate the Centauri Device, a sentient bomb which might hold the key to settling a vicious space war. M. John Harrison's classic novel turns the conventions of space opera on their head, and ...

The Centauri Device is a classic science fiction tale told by M John Harrison. Picking up another classic from the SF Masterworks series, by an author which was a total unknown to me. It's kind of a high risk gamble, it could open my eyes to something completely new and it could be a complete waste of time.
