Smaller frames. Women tend to have shorter torsos, longer legs (proportionally) and shorter inseams than men. Therefore, the biggest benefit of women's-specific bikes are smaller frames with a shorter top tube. Many exceptionally petite women have a tough time finding a small enough frame from the traditional bike manufacturers.

Outpatient counseling for men and women. The Bethel Outpatient Center provides services for substance use disorder that help men and women 18 and older overcome addictions of all kinds. Our program provides a wide variety of services for men and women outside of a residential environment. Group therapy, counseling and other supportive services help those struggling with drug and alcohol abuse overcome addiction and rebuild their lives while continuing to live at home and, in many cases, work.
