This Manual Dental Clinic Receptionist

The need for a receptionist and billing clerk will be based on the availability of these services if the clinic is co-located in a multidisciplinary health clinic. It is neither effective nor efficient for a dental assistant to be acting as the receptionist or billing clerk, as this takes time from clinic duties, and thereby reduces efficiency ...

Safety Net Dental Clinic Manual

Part 1: Personal Skills . Your company's receptionists are the face of your business—quite literally. That's why in-person interaction is so important, and why personal skills must be included in your medical receptionist training manual. Create a section on body language; a simple smile makes all the difference at the front desk. Include a segment on dealing with difficult customers, a ...

Building a Medical Receptionist Training Manual - UPbook

The clinic receptionist is responsible for welcoming visitors and patients to the clinic and taking necessary information from them before they are allowed to see the doctor. The job description of this individual involves registering new patients by carrying out necessary documentation before they can be attended to by the doctor.
