It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Trained in the Fear of God | Kregel

A 1913 short story *Terror* by Jun'ichirō Tanizaki is a first-person narrative of a young man suffering of the morbid fear of travel in trains and streetcars. Tanizaki uses the German word *Eisenbahnkrankheit*, "railroad sickness".

Fear of trains - Wikipedia

Steps To Overcome The Fear Of Training Alone In Front Of Others. Step #1 - Change our mindset. Instead of being afraid of looking stupid or training in front of others, search for it and enjoy it. If there's any chance I can get these days to make people think I look stupid especially on a mass scale, have fun with it, enjoy it.

spaces, or spiders. In the field of psychology there are several different theories of the motivation of fear and anxiety. The cognitive, biological, and learning perspectives on the motivation of fear and anxiety will be discussed. There is an overall basic distinction between fear and anxiety.

Fear and Anxiety

“Fear is the enemy,” says Comdr. Eric Potterat, PhD, a Navy Special Warfare group psychologist. The mental stress of war has claimed more casualties in Iraq and Afghanistan than bombs and bullets.

How the Science of Fear Makes Soldiers Stronger

In all the training I had, officers were trained to fear even the average citizen—to beware that someone will take your gun and use it on you, to be on alert for ambushes, to be ready to fix yourself up if shot so you can keep going. But the flip side of this over-defensiveness is that citizens are afraid

of the police, and their fear is what gets them killed in many cases

Police Are Trained to Fear. As a former cop, I know why so ...

Fear, one of the most primal human emotions, has both a physiological and emotional response. It is also complex, differing from person to person. ... it's important that such confrontational approaches be undertaken only with the guidance of a trained mental health professional.

Fear: Definition, Symptoms, Traits, Causes, Treatment

If the fear of the Lord causes you to back away from Him, you haven't been taught in the true fear of the Lord. Taught properly, it draws us forward into His heart. Those who truly tremble before Him run into His arms, wrap themselves around Him, and in awe and reverence cling to Him for their very lives.

Verse 6. - Train up a child in the way he should go. The verb translated "train" (chanak) means, first, "to put something into the mouth," "to give to be tasted," as nurses give to infants food which they have masticated in order to prepare it for their nurslings; thence it comes to signify "to give elementary instruction," "to imbue," "to train." The Hebrew literally is, Initiate a child in ...
