Cambridge International AS and A Level Economics (9708)

(b) Discuss whether economic theory supports the idea that governments should encourage all large organisations. [13] 4 (a) Analyse whether an increase in the wage rate always leads to an increase in the number of hours worked by an individual. [10] (b) A government stated that pay increases in the coming year should be kept to a minimum.

Using these figures, rather than trying to compare by eye some three separate diagrams, we can now compare easily. We can see that:

- In 1980, the income distribution in the UK is more equal than in Spain.
- The UK's income distribution got less equal (under the Thatcher government).
- Spain's income distribution got more equal over the period.
